DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on 6/24/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants did not elect a SINGLE disclosed specie. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Applicant must elect water or acteic acid or germanium, etc. because these are classified separately, are not chemically related and would be a burden to search together.

Any inquiry concerning this communication should be directed to examiner Hendrickson at telephone number (703) 308-2539.
